

At RussellStone Capital, we are specialists in agricultural value chains across African markets. Our approach is practical, collaborative, and designed to solve clients' needs with measurable impact.

CORPORATE FINANCE ADVISORY SERVICES

We help businesses unlock growth, strengthen performance, and enhance long-term value through strategic financial and operational insight.

CAPITAL RAISING

We assist businesses in securing funding through debt or equity, structuring financing to support growth or restructuring, and preparing for IPOs, private placements, or bond issuance.

FINANCIAL RESTRUCTURING

We support companies in reorganising their capital structures to improve financial efficiency, through strategies such as debt refinancing, asset sales, or equity swaps.

VALUATION SERVICES

Our team provides valuation services to determine the fair market value of a business or asset, supporting M&A transactions, litigation, tax planning, and strategic decision-making.

MERGERS & ACQUISITIONS (M&A)

From buy-side to sell-side, we help you maximise returns across the M&A lifecycle through targeted support and value-added advisory services.

RESTRUCTURING, TURNAROUND & COST TRANSFORMATION

We work with you to stabilise performance, restore profitability, and optimise operations through effective restructuring and transformation initiatives.

STRATEGY AND OPERATIONAL EXCELLENCE

Our focus is on driving performance, building resilient ecosystems, and ensuring operational excellence across portfolios and sectors.

STRATEGY & BUSINESS DESIGN

Our advisory team supports you in defining your business strategy, designing effective structures, and positioning your company for sustainable growth.

SUSTAINABILITY

We assist clients in developing responsible business strategies that align profitability with positive environmental and social outcomes.

ECOSYSTEM STRATEGY

We help enterprises develop interconnected strategies that align products, services, and customer needs within a single, integrated growth framework.

PORTFOLIO STRATEGY

We assist clients in enhancing portfolio performance by identifying growth opportunities and strategically combining assets and markets to create lasting value.

ADVISORY SERVICES

We provide agriculture strategy advisory services that guide agribusinesses, including farms, cooperatives, processors, and investors, toward long-term profitability and resilience in a volatile sector. Unlike traditional corporate consulting, we focus on balancing biological cycles, climate realities, market shifts, and financial risk to help our clients make decisions that are both sustainable and strategically sound.
